

## ALEXANDRIA GAZETTE

WEDNESDAY EVENING, AUG. 29, 1906.

## Local Matters.

## Sun and Tide Table.

Sun rises tomorrow at 5:26 a. m. and sets at 6:54 p. m. High water at 3:52 a. m. and 4:24 p. m.

## Weather Probabilities.

For this section unsettled weather and probably showers tonight and Thursday; light variable winds, shifting to fresh southerly.

## After Heath's Ark.

In stopping the tugboat Bartholdi from carrying passengers to and from the houseboat known as "Jack Heath's Ark," the commissioners of the District of Columbia hope to put difficulties in the way of the alleged gambling den which is said to be maintained on that craft. It was learned by Commissioner Macfarland yesterday that the arrangement under which the Bartholdi uses the wharf of the Independent Steamboat and Barge Company in Washington is an oral one and is without the consent of the commissioners, as is required by the lease. The steamboat and barge company was immediately notified that if the arrangement is not vacated at once the District government will take steps to recover possession of the wharf, as subletting is prohibited under the terms of the lease. The Heath "ark" was within the jurisdiction of the Maryland authorities being anchored a short distance beyond Jones's Point. It was towed to Washington last Monday. Most of the visitors to the ark came to Alexandria and were carried on the Bartholdi to the floating gambling house.

## Defrauding Boarding House.

Among the cases in the Police Court this morning was that of Abram Lane, colored, who had been arrested as he was about to leave the city without paying a two-weeks' board bill. The complainant was Kate Smith, colored. Justice Caton imposed a fine of \$15, and in default of payment the accused will be sent to the chain gang for 30 days. This is the first case in the Police Court of this city where such a delinquent has been dealt with under the present State law regarding persons who defraud boarding houses. The maximum fine is \$100 and offenders of this character can be sent to jail for six months. A white woman lodged complaint at the station house last week against three men, supposed to be employed on one of the railroads leading into this city, who she alleged had decamped leaving their board bills unpaid. The above may prove interesting to such, as should they be apprehended they will doubtless be summarily dealt with.

## T. P. A. Association.

On Friday evening, the 31st inst., Post F, Travelers' Protective Association, will give an evening excursion on the steamer Jamestown. The association embraces in its membership more than one hundred of our manufacturers, jobbers, buyers and salesmen. This is the first business organization to give an excursion on the Jamestown, and the public are urged to avail themselves of this opportunity to combine with pleasure their appreciation of the establishment of the new ferry line, the fleet plying between here and Norfolk and the first excursion steamer afloat, the Jamestown. The following are members of the excursion committee: Messrs. Frank S. Harper, H. Kirk, Jr., H. K. Field, J. P. Robinson, E. S. Leadbeater, J. M. Willis, E. Goldsmith, R. L. Monroe, A. D. Brockett, W. A. Sanoat, Jr., T. J. Howard, Zoro Hill, Geo. H. Harlow, R. M. Graham, J. Y. Williams, Harry Hammond and M. P. Greene.

## Stray Horses.

Thomas Arrington, colored, was fined \$2 in the Police Court this morning for allowing his horses to run at large in the street. There is continued complaint in nearly every part of the city of the action of owners of horses in turning the animals loose in the streets. Such proceedings are common in the southeastern section of the city, and the animals often gallop through the streets or in places where little children congregate, causing parents no little anxiety. Officer Nicholson made the arrest referred to above, and it is hoped officers on beats in other localities will follow his example.

## Assaulted by a Woman.

Much of the time of the Police Court this morning was consumed in the examination of a case in which a white woman living on south Lee street was charged with using a whip on a young girl and her mother. The complainants and the defendants live in adjoining houses and the trouble which culminated in the assault yesterday is of longstanding, originating over a hydrant which is used by both families. The accused admitted she applied the lash to the child and the mother, but stated that the assault was provoked. She was fined \$5.

## More Rains.

Jupiter Pluvius still held sway over Alexandria and vicinity last night, copious showers having fallen at intervals. While considerable inconvenience has necessarily been experienced hereabouts, no material damage has resulted in the city proper. The roads leading to Alexandria, however, have been damaged, and the losses sustained by truckers is said to be considerable. The railroads leading to this city have been injured at certain points by landslides and floods, and many of the trains arriving here are hours late.

## A Distressing Case.

The four-year-old daughter of Mr. Harry Hudson, of this city, terribly cut herself yesterday at Culpeper, where the parents of the little girl were visiting. The child in some way procured a razor and while pretending she was shaving herself split both cheeks wide open and cut a horrible gash in her throat. She was brought to this city this morning for treatment. While the little girl's injuries are not necessarily fatal, she will be disfigured for life.

## Deaths.

Mrs. Lucinda E. Bushby, wife of Mr. William Bushby, died in Washington yesterday. The deceased was in her 72d year. She was a daughter of the late Bartholomew Delphay, of this city.

## Police Court.

[Justice H. B. Caton presiding.]

The following cases were disposed of this morning: Two young white men, arrested by Chief Goods charged with disorderly conduct, were fined \$25 each.

"Slim" Clark, colored, charged with "gambling," was fined \$5.

A white man, arrested by Officer Garvey charged with disorderly conduct was fined \$2.50.

Abram Lane, colored, charged with attempting to defraud Kate Smith, colored out of a board bill was fined \$15, and in default of payment will be sent to the chain gang for 30 days.

John Jeffries, arrested by Officer Knight charged with being drunk and disorderly toward the officers, was fined \$2.50.

Lafayette Coleman, colored, arrested by Officers Smith and Betts for trespass, was sent to the chain gang for 30 days.

Annie Lee, arrested by Officer Jones for disorderly conduct, had her case continued.

A white woman, arrested by Officer Lyles charged with assault, was fined \$5.

## City Council.

The last meeting of the present City Council was held last night. The session was brief and the business presented was transacted with but little discussion.

## BOARD OF ALDERMEN.

None of the matters which came before the board caused discussion. A number of papers which had been acted upon by the Common Council was received from that board and their action concurred in by unanimous votes.

Mr. Simpson introduced a resolution looking toward the settlement of a debt of \$5,000 incurred by the School Board in 1889. He stated that since that time interest amounting to as much as the original debt had been paid, and as that was the only outstanding debt against the city, steps should be taken to pay the same.

The resolution was referred to the finance committee.

Mr. Simpson also called up the communication of Mayor Call recommending that the Corporation Attorney take steps toward defending the injunction proceedings recently instituted in regard to the removal of the Henry street railroad tracks. The paper was received from the Common Council last June and laid over. The action of the lower board was concurred in.

There being no other business before the board, Mr. Burke introduced a resolution tendering the thanks of the Aldermen to President Sweeney for the able manner in which he has presided over the board, as well as for the courtesy shown by him on all occasions.

The resolution was adopted by a unanimous vote, and Mr. Sweeney made a suitable reply in which he thanked the members of the board for the confidence reposed in him.

A resolution thanking the clerk for the satisfactory manner in which he has discharged his duties was submitted by Mr. W. H. Sweeney. This was also adopted by a unanimous vote.

On motion of Mr. Simpson a vote of thanks was extended the Messenger for his satisfactory services during the present session, after which the board adjourned.

## COMMON COUNCIL.

The board assembled soon after 8 o'clock and fifteen of the sixteen members were present.

The committee on streets reported favorably on an appropriation of \$200 for a gutter on Patrick street, between Princess and Ontario; also for \$40 to gutter the north side of Gibbon street from Henry street half a block east, and for \$75 for a sewer on Duke street east of Washington, and the reports were adopted.

An account of Samuel P. Fisher, Corporation Attorney, for work done in relation to the electric franchise contract, \$100, was presented and referred.

The Auditor reported that the appropriation of \$300 for fire plugs was exhausted and an appropriation of \$200 additional for that purpose was agreed to.

The re-shingling of the roofs of dwellings 210, 212 and 214 on south Lee street was authorized, provided the consent of adjoining property owners was secured.

Council concurred with all the business transacted by the Aldermen.

Mr. Strauss rising to a question of privilege expressed his regret at the retirement of Capt. Bryan, chairman of the finance committee, from the board and complimented Capt. Bryan for his efficient services rendered the city.

The Chair said that this was the sentiment of the entire board.

On motion of Mr. Strauss a resolution of thanks to Capt. Bryan for his services on the finance committee was unanimously adopted.

Mr. Bryan responded in warm terms. Mr. Leadbeater in moving a vote of thanks to the President, Mr. Snowden, expressed appreciation of the ease and swiftness with which business had been forwarded under his rulings.

He moved a vote of thanks to the President and his motion having been seconded by several members.

Mr. Williams put the question and the vote of thanks was adopted unanimously.

The President returned his thanks to the members of the board for their expression of their approval and for their uniform courtesy to him during his term of office and said he believed all the members had worked earnestly and conscientiously for the advancement of the city's welfare.

He then declared the board adjourned sine die.

## Prisoner Killed.

Atlanta, Ga., Aug. 29.—In a desperate fight within the walls of the United States penitentiary Ed. Richmond, a prisoner, serving a sentence for train robbery, and one of the most desperate characters in the prison, was today killed by Pete Frey, a guard. The prisoner attacked the guard very unexpectedly and had him in a death grip when the latter broke loose. In self defense, the guard shot and instantly killed Richmond. Richmond was sent up from Indian Territory.

## Fire Men Killed.

Loveland, O., Aug. 29.—Five laborers were killed at Symmes, near here, this morning. They stepped out of the way of a freight train and were struck by a Baltimore & Ohio southwestern passenger train. All were thrown high in the air and instantly killed.

## Collided With Wreck.

New York, Aug. 29.—The Brewster Express on the New York Central with eight coaches loaded with passengers coming into the city crashed into the wreck of a freight train on the main tracks between One Hundred and Seventy-fifth and One Hundred and Seventy-sixth streets, today, killing one man instantly, fatally injuring another and causing the wildest kind of a panic among the several hundred passengers.

A disagreement between Congress and the President over the use of simplified spelling in public documents is considered possible.
